

THE UNIVERSITY OF THE THIRD AGE

Higham and Rushden

Group Etiquette

More Enjoyment – No Aggravation!!

The guidelines below will hopefully make for the smooth running of our groups for the benefit of ALL.

.....

Groups are only open to paid up members of Higham & Rushden U3A, or as a “visitor” with a view to joining.

Any member wishing to join a group should contact the Group Leader to see if there is a place available. No member should turn up at a group meeting without notice.

When a member joins a group he or she is required to show a valid membership card to the Group Leader, so his or her membership number can be recorded in the group register. This is important for insurance purposes.

Any member who is unable to attend a group meeting should let the Group Leader know.

Any member who decides to leave a group should advise the Group Leader so that the place can be available to someone else.

Some groups are full and with a waiting list, so if members have not made contact with the Group Leader for some time, their places in that group may be forfeited.

All groups are self-financing and all group members must pay their share of the group expenses.

Any member causing disruption in a group will be asked to leave that group and possibly the H&R U3A.
